ABOUT DAEGU UNIVERSITY *

Daegu University, Korea's first higher educational institute for special education, was founded in 1956 and included the fields of Special Education, Rehabilitation Science, and Social Welfare. Today, Daegu University is a comprehensive university with 13 colleges (95 majors), 7 graduate schools, and an enrollment of over 20,000 students.

At present, Daegu University is recognized not only as Korea's top university for Special Education, Rehabilitation Science, and Social Welfare, but also at the top in Information and Communication Technology, Industry-Academy Cooperation, and Continuing Education. In addition, it is becoming a dominant force in the fields of Design, Bio-industry, and the Automotive Parts Industry.

In order to pursue the internationalization of education, Daegu University has signed agreements with over 300 institutes around the world and is now actively implementing various programs such as joint research, and faculty and student exchanges. As an example of these internationalization efforts, approximately 1,000 students are invited or dispatched to Daegu University annually. In addition, approximately 1,500 international students from 60 countries are enrolled at Daegu University. To support these international students, Daegu University provides scholarships of between 30 and 100 percent of tuition and provides reasonably-priced dormitory accommodations for 100 percent of its international students.

KOREAN LANGUAGE PROGRAM (KLP)

Daegu University's Korean Language Education Center provides international students and overseas Koreans with opportunities to learn the Korean language as well as Korean culture. The Korean Language Program is designed to maximize the effects of Korean language acquisition and Korean culture understanding through integrated Korean language training in speaking, listening, reading, and writing as well as a variety of Korean customs and cultural experiences.

○ Programs

The KLP is offered through four regular sessions and two short-term sessions. Each session features four hours of classes per day, five days a week from Monday to Friday.

Regular Session

The Regular Session is offered in four terms over the course of one year. Each term consists of ten weeks.

The Regular Korean Language Program is an integrated training program where the main language skills - speaking, listening, reading, and writing - are combined and taught via a team-teaching method where a group of two to three teachers teach one class. The goal of the program is to maximize the learning effects of students by improving their Korean language proficiency for smooth communication and expanding their understanding of Korean culture through Korean cultural experience classes, which is ideal for international students who want to speak Korean fluently.

Period of Study per Session	Total Class Hours	Class Hours per Week	Class Time	Students per Class
10 weeks	200	20 (4 hours * 5 days)	09:00 -12:50 (morning class) 13:30 -17:20 (afternoon class)	15-20

- Class hours include Korean cultural experience events and tuition includes Korean cultural experience events.

- *Culture classes such as Korean song class, Korean movie class, Korean cooking class or Korean traditional craftwork class will be held every week.
- *Field trips such as Korean historic site visits, folk village visits or ancient palace visits will be held every five weeks.

- Certificate of completion and Transcript will be issued after completing each session.

- Counseling service will be provided to the prospective undergraduate or graduate students.

Short-term Session

The Short-term Session is offered in two terms over the course of a year, in Summer and in Winter. Each term consists of three weeks.

The Short-term Korean Language Program is an integrated training program where the main four language skills - speaking, listening, reading, and writing - are combined. This program focuses on improving students' communication skills by implementing practical Korean language training. It is also designed to foster the understanding of Korean culture through on-site experiential and cultural exploration.

Period of Study per Session	Total Class Hours	Class Hours per Week	Class Time	Students per Class
3 weeks	60	20 (4 hours * 5 days)	09:00 -12:50 (morning class) 13:30 -17:20 (afternoon class)	15-20

- Class hours include Korean cultural experience events and tuition includes Korean cultural experience events.

*Culture classes such as Korean song class, Korean movie class, Samulnori (folk music consisting of the four traditional Korean percussion instruments) class, Korean cooking class or Korean traditional craftwork class will be held.

*One field trip such as a Korean historic site visit, a folk village visit, or an ancient palace visit will be held.
- A certificate of completion and transcripts will be issued after completing each session.
